

HAND THERAPY CERTIFICATION COMMISSION

Request for Verification of Score

In computer-based testing, it is extremely unlikely that a failing result would be reversed through score verification since the quality assurance processes for scoring each examination are substantial. However, if a candidate receives a non-pass score and believes that an error may have occurred in the scoring of the examination, the candidate may request that her or his exam be rescored. There is a charge of \$50 for this service. You will receive notification from PSI after the review has been completed.

Requests must be received by email at info@htcc.org by:

- August 1st for the May exam
- February 1st of the following year for the November exam

Candidate Name: _____ Today's Date: _____

Candidate ID #: _____ Date of Exam: _____

Address: _____
